

Dear friends,

I hope this reading group will be of great benefit to you. If you have any suggestions about how to improve the group, please send them to me privately.

The task for five days each week is:

Read the set passage for the day (a new section will be posted each day). Add a comment after reading and thinking about the passage, which could be one or all of:

- ☀️ What stands out to me is... because...
- ❓ A question I have is...
- 🙌 I can see that God is...
- 🙏 I would like to apply in my life..... Pray for me.

Symbols can be selected from the WhatsApp emojis. Please do not question or make any comments about other people's contributions, or answer their questions in the group. Prayer would be welcome.

Please be patient while we get the hang of it.
