How to inform Church of your Unavailability on Elvanto

There may be times when you know in advance that you are unavailable to serve at church e.g. planned holidays, different seasons of life. Updating your Unavailability frequently, perhaps the first week of each school holidays before the rosters are set, will help avoid you needing to swap or find a replacement for yourself later. This guide will show you how to submit your unavailability in **3 easy steps**.

Step 1

Go to **campbelltownanglican.elvanto.com.au** to login. If you do not know your username and password please contact the church office (office@campbelltownanglican.org) and we will send you your details.

Depending on your level of access, you may need to enter the 'Member Area' - this can be done by hovering or clicking on your name in the top right hand corner and selecting 'Member Area' from the drop down menu.
